**Burial Vault Company Announces Name Change**

(Overland Park, KS) Suhor Industries, Inc., a concrete burial vault company founded in 1933, has changed its name at all of its locations to SI Funeral Services, according to Dennis Welzenbach, Executive Vice President/CFO. The SI logotype will be utilized throughout the organization's funeral service entities including SI Mortuary & Cremation Services, SI Memorials and SI Veteran Memorials.

SI Funeral Services is the largest licensee of Wilbert Funeral Services, Inc. and also manufactures and distributes Doric and Trigard Burial Vaults. The company operates 81 facilities in 11 states and provides concrete, steel and thermoplastic burial vaults as well as graveside services, grave digging, cemetery lettering, monument manufacturing and setting, cremation, embalming, disinterment and transfer services.
